International Master's Program in Mathematics

International Doctoral Program in Mathematics

These two programs offer a wide range of lectures, with topics ranging from pure mathematics such as algebra and geometry to applied mathematics such as probability, statistics, and computational mathematics.

For details, please visit the following websites:

Graduate School of Mathematics

Master's Program

Those applying for the 2021 International Master's Program in Mathematics, the Graduate School of Mathematics at Kyushu University, should follow the following procedures. The course will commence on October 1, 2021. All lectures and guidance will be given in English.

If you are interested in the application, please make contact with a professor or an associate professor of our graduate school whose area of expertise most closely matches your research topic, prior to the application. The list of our faculty can be found on pages 14-15 and on our web page <http://www.math.kyushu-u.ac.jp/eng/teachers/index>.

1. Department and number of students

Department	Number of students
Mathematics	5

This program offers guidance on researches in Mathematics and Mathematical Science and on writing a Master's Thesis. Those who complete this program will be awarded a Master's Degree in Mathematics (Master of Mathematics).

2. Qualification for application

Applicants must be citizens of countries other than Japan with Status of Residence of "Student" (including those who expected to acquire this status after being admitted), and satisfy one of the following requirements:

- (1) Those who have completed or are expected to complete 16 years of formal education in countries other than Japan by September 30, 2021.
- (2) Those who have been conferred or are expected to be conferred a degree equivalent to a bachelor's degree by completing an education course of three or more years in a foreign university or other foreign schools by September 30, 2021.

- (3) Those who have completed or are expected to complete 15 years of formal education in countries other than Japan by September 30, 2021 and are recognized to have obtained all necessary credits with excellent academic records by the Graduate School.
- (4) Those who are evaluated to have an academic ability equal to or surpassing that of a holder of a Bachelor's Degree in Preliminary qualification examination of the Graduate School of Mathematics (see the note below), and who will be 22 years old or over by September 30, 2021.

(Note) “(4) Those who are evaluated to have an academic ability equal to...” applies to those applicants who do not satisfy (1), (2) or (3), and who have completed a course at an educational institute equivalent to a university.

(Note) Preliminary qualification examination for application

Applicants who qualify under (3) or (4) above must submit themselves to Preliminary qualification examination for application. Such an applicant must submit the application form and other relevant documents to the Student Support Section, Graduate School of Mathematics, by the deadline specified below, after receiving an approval from his/her prospective supervisor.

Applicants who have passed the qualification examination are qualified to take the entrance examination, and the application form and other relevant documents submitted by the applicants shall be accepted.

Examination card and relevant documents will be sent to applicants after payment of the application fee is confirmed. The application documents submitted by those who have been judged as “not qualified” shall be returned.

- Application period for Preliminary qualification examination for application:
February 24 (Wed.) to March 8 (Mon.), 2021
- Announcement of Preliminary qualification examination for application result:
March 22 (Mon.), 2021

3. Documents to be submitted

- (1) Application form and curriculum vitae (use the form provided by the Graduate School.)
- (2) Academic transcript, certificate of completion (or expected completion) and recommendation letter issued by the educational institution from which the applicant last graduated (copies not accepted)
- (3) Recommendation letter issued by the applicant's supervising professor, a member of teaching staff, or a supervisor in the employing body who has personal knowledge of the applicant and who is familiar with the details of the applicant's academic accomplishments (The letter must be in a sealed envelope as it is confidential.)
- (4) Bachelor's thesis (A copy is acceptable. If the thesis is written in a language other than Japanese or English, an abstract in Japanese or in English should be attached. In case the applicant cannot submit his/her Bachelor's thesis,

submit a document in which the applicant's major academic activities and research achievements are described instead.)

- (5) Hand written report on the following two themes (use 2-5 sheets of A4-size paper)
 - a. Mathematical theorems or theories that you think interesting, or mathematics textbooks that you have read or are reading together with the summary of their contents.
 - b. Research plan in the graduate school, including the reason why you chose the specified professor as your planned supervisor.
- (6) Certificate of English language ability, unless the applicant is a native speaker of English (If the applicant has taken a standardized English proficiency test, such as TOEFL (Test of English as a Foreign Language), IELTS (International English Language Testing System, Academic Module) or Cambridge ESOL Examinations (FCE, CAE or CPE), submit the applicant's official score.)
- (7) Copy of applicant's passport
- (8) Copies of both sides of Residence Card or Residence Certificate (only for those living in Japan)
- (9) A photo of applicant (taken within 3 months, 5.5 cm × 4.5 cm, should be attached to the application form)
- (10) Receipt of payment of Application fee (For details, refer to item 4 below.)

(Note) Applicants who take the Preliminary qualification examination for application are required to submit the certificate of research history (prepared by the president or the dean of the educational institution from which the applicant last graduated), in addition to the documents specified above.

(Notes for preparing documents)

- a. The prescribed forms, "Application form", "Curriculum vitae" and "Form for submission of the certificate of payment of application fee", can be downloaded at the following website:
<http://www.math.kyushu-u.ac.jp/eng/entryexams/view/3>
Each document should be printed in double-sided printing.
- b. Documents must be written either in Japanese or in English. (Documents prepared by word processors are acceptable except for the hand written report mentioned in (5).)
- c. In case any of the documents are written in a language other than Japanese or English, attach Japanese or English translation.

4. Application fee

Application fee (30,000 yen)

*The Application fee is not required for students who are currently Japanese Government MEXT Scholars.

Application fee must be paid either at a convenience store or by credit card, Union Pay or Alipay after registering at the following website (“e-shiharai site”, <https://e-shiharai.net/> or <https://e-shiharai.net/English/>). (Payment at a convenience store is available only in Japan and the guidelines and the website are offered only in Japanese.)

For details of the payment method, please refer to “コンビニエンスストア・クレジットカード・中国決済での入学検定料払込方法 (How to make the payment for the application fee at a convenience store, by credit card, Union Pay and Alipay)” or “How to make the payment for the application fee by Credit Card, Union Pay and Alipay” on pages 16-17 of this guideline.

The transfer fee should be covered by the applicant.

(1) Payment at convenience stores

Paste “入学検定料・選考料・取扱明細書(Certificate of payment of application fee)” on “Form for submission of the certificate of payment of application fee” and submit it with other application documents.

(2) Payment by credit card, Union Pay or Alipay

Submit the printed “Result” page with other application documents.

(3) Payment period

March 19 (Fri.), 2021 to April 9 (Fri.), 2021

(Note) For inquiries regarding e-shiharai site such as the steps, applicants should check the information on the website (<https://e-shiharai.net/Syuno/FAQ.html> or <https://e-shiharai.net/English/sss/FAQ.html>), “FAQ” or “Common Questions about Payment”, and if you have any further questions, please ask E-Service Support Center directly.

5. Application period: March 24 (Wed.) to April 9 (Fri.), 2021

Note that all documents must arrive by April 9, 2021.

6. Application documents should be sent to:

Student Support Section, Graduate School of Mathematics, Kyushu University
744 Motooka, Nishi-ku, Fukuoka 819-0395, Japan

(Notes for submitting documents)

- a. Applicants must contact a potential supervisor at first.
- b. Write “Application form for Master’s Course of the Graduate School of Mathematics enclosed” in red on the front of the envelope.
- c. The application form and other related documents can be accepted in person at Student Support Section, Graduate School of Mathematics, from 9:00 a.m. to 5:00 p.m. on weekdays, except national holidays. When mailing the documents, use a registered mail and make sure the documents must arrive before the deadline.

7. Screening Process

Screening of applicants is conducted mainly based on the documents submitted. Academic examination by

telephone or internet will be arranged when necessary. In that case, academic examination shall be given on the applicants' specialized subjects, and English language, in written or oral form. Applicants applicable to such academic examination will be informed of the method and schedule after their application documents have been accepted.

8. Announcement of screening result and enrollment procedure

The application ID numbers of successful applicants will be posted on the website as follows. The result will also be mailed to the address written on the application form on the same date.

- (1) Website: <http://www.math.kyushu-u.ac.jp/eng/>
- (2) Date and time: May 24 (Mon.), 2021, 10:00 a.m. (Japan time)
- (3) Confirmation of your intention to enroll: Once you are admitted, and if you still wish to enroll at Kyushu University, make sure to send the signed form for Confirmation of Intention to Enroll, enclosed in your result announcement document, to the address below by the designated date via mail, e-mail or fax. If you mail the confirmation form, use air registered mail, such as DHL, FedEx, OCS or EMS.

Mailing Address: Student Support Section, Graduate School of Mathematics, Kyushu University
744 Motooka, Nishi-ku, Fukuoka 819-0395, Japan
E-Mail: rixgksien@jimu.kyushu-u.ac.jp Fax: +81-92-802-4016

- (4) Procedure for enrollment: See the "Enrollment Procedure Guidelines" enclosed with the acceptance letter.
- (5) Admission fee, Tuition:
Admission fee: 282,000 yen (to be paid by the end of September, 2021)
Tuition: 267,900 yen per semester (annual total 535,800 yen)
(Note) The amounts above are subject to change without prior notice. New fees will be applied if changed.
International students under Japanese Government MEXT scholarship are not required to make the payments for the admission fee and for the tuition.

9. Applicants with Disabilities

Kyushu University provides consultation for applicants with disabilities who may require special arrangements during the entrance examinations or in classes after enrollment.

Please contact the Student Support Section, Graduate School of Mathematics prior to the application process as soon as possible as it sometimes takes extra time to decide on the arrangements depending on the situation.

No special arrangements will be made if no contact is made by March 8, 2021.

10. Period-extension system

Kyushu University has introduced a Period-extension system.

This system enables those who are employed or have disabilities or other difficulties to complete a Master's course over longer period than the regular period.

Once declaration is acknowledged, the total tuition fee will be the same as that for the regular period.

In addition, the application details of the system will be detailed upon notification of the entrance formalities.

11. Miscellaneous remarks

- (1) Any documents submitted, such as application forms, will not be returned and the application fee will not be reimbursed.
- (2) An admission may be cancelled, if there is any wrongdoing or misconduct related to application documents.
- (3) For more details of the screening, please contact the address at the bottom of this page.
- (4) Any changes due to COVID-19 will be announced via the above website of the Faculty of Mathematics. In addition, the school may take separate actions depending on the situation.
- (5) Kyushu University will start the WISE program (Doctoral Program for World-leading Innovative & Smart Education) "Graduate Program of Mathematics for Innovation" in April 2021. The application guideline and details for this program will be announced on a later date.

○ Use of personal information

1. Personal information provided for your application will be used exclusively for Kyushu University's screening process and the following purposes:
 - (1) The addresses, names, etc. of the successful applicants may be used for enrollment procedures, etc.
 - (2) Academic transcript that issued by the previous university will be used for financial aid when those are in first grade.
2. Academic records and other personal information used for screening of applicants may be used, in a form in which the individual is unidentifiable, for surveys and research concerning the screening of applicants for the Graduate School of Mathematics.
3. Personal information provided for your application will not be used for any other purposes or provided to a third party without your permission, except in cases stipulated in Article 9 of the Act on the Protection of Personal Information Held by Incorporated Administrative Agencies, etc.

Doctoral Program

Those applying for the 2021 International Doctoral Program in Mathematics, the Graduate School of Mathematics at Kyushu University, should follow the following procedures. The course will commence on October 1, 2021. All thesis work will be carried out in English.

If you are interested in the application, you are required to make contact with a professor or an associate professor of our graduate school whose area of expertise most closely matches your research topic, prior to the application. The list of our faculty can be found on pages 14-15 and on our web page <http://www.math.kyushu-u.ac.jp/eng/teachers/index>.

1. Department and number of students to be admitted

Department	Number of students
Mathematics	3

In this program, students are to perform their own research in mathematics. The main goal is to become researchers and/or educators in mathematics. Those who complete this program will be awarded a Doctoral Degree in Mathematics (Doctor of Philosophy [Mathematics]).

2. Qualification for application

Applicants must be citizens of countries other than Japan with Status of Residence “Student” (including those who are expected to acquire this status after being admitted), and satisfy one of the following requirements:

- (1) Those who hold or are to receive a degree equivalent to a Master’s Degree in countries other than Japan by September 30, 2021.
- (2) Those who are evaluated to have an academic ability equal to or surpassing that of a holder of a Master’s Degree in a Preliminary qualification examination of the Graduate School (see the note below), and who will be 24 years old or over by September 30, 2021.

(Note) “(2) Those who are evaluated to have an academic ability equal to...” applies to those applicants who do not satisfy (1), and who have completed a course at an educational institute equivalent to a graduate school.

(Note) Preliminary qualification examination for application

Applicants who qualify under (2) above must submit themselves to Preliminary qualification examination for application. Such applicants must submit the application form and other relevant documents to the Student Support Section, Graduate School of Mathematics, by the deadline specified below, after receiving an approval from his/her prospected supervisor.

Applicants who have passed the qualification examination are qualified to take the entrance examination, and the application form and other relevant documents submitted by the applicants shall be accepted.

Examination card and relevant will be sent to applicants after payment of the application fee is confirmed. The application documents submitted by those who have been judged as “not qualified” shall be returned.
